

ANMOL MEHLA

8398963836 • anmolmehla4@gmail.com • Karnal (Haryana)

Summary

A computer engineer with positive attitude, creative mindset, strong adaptability and a excellent team contributor looking forward to work as software developer

Education

DAV Pg College (kurukshetra University)

BCA(Bachelor of Computer Applications) | CGPA: **8.06** / 10

Karnal (Haryana)

2021 - 2024

Government Sr. Sec. School HBSE

12th | Percentage : **83.3** / 100

Gudha(Karnal)

2021

Rishikul Sr. Sec. School. CBSE

10th | Percentage : **79** / 100

Gharaunda (Karnal)

2019

Internship/Training

EDC info-net Software Solution Private Limited

Software Project Intern (Full Stack Developer)

05/2022 - 07/2022

Designed, Developed and modified the Corona Vaccine Management System and Added new components that help user like Help Center

Major role is developed the frontend

Skills Data Structures & Algorithms,Java

Tools J2SE,MS SQL Server

Projects

CHATIFY (REALTIME CHAT APPLICATION)

Skills:React.js,Tailwind CSS , Node.js , MongoDB

Designed a personal chat room like discord to share resources and hang out with friends using

React and Tailwind CSS for the frontend- Node/Express for creating API endpoints- MongoDB for storing chat room members and their messages-

Socket.io for making the app real-time

KNOWLEDGE CAMP(E-learning Platform)

Skills:React.js , Chakraui,.Node.js , MongoDB,react-hot-toast

Designed and Developed the many features like Payment,Jwt Authentication,Socket.io,Add and delete lectures, Payment using razorpay,send token ,email

ATM-Simulator-System(Bank Management System)

Skills: JAVA, Swing&AWT , MYSQL Database,JDBC Connectivity

Designed and Developed the many features like Account creation and management , Deposit and withdrawal transactions, Balance inquiry, Transaction history, User-friendly GUI with Java Swing

Skills

Strongest Areas : Data Structure & Algorithms

Programming language : JAVA • C++

Libraries/Framework/Database : Reactjs • Express.js • Chakraui • Node.js • MySQL

Core Subjects: Operating System • OPPs • Software Engineering

Achievements

Coding questions

Solved 1000+ Coding problem on various platforms like VsCode

Coding Competition

Secured 3rd Rank in Inter College Coding Competition
